STREAMLIGHT, INC. DISTRIBUTOR POLICIES, TERMS AND CONDITIONS

LEGAL DISCLAIMER: These policies, terms and conditions supersede all previously published policies, terms and conditions.

This Streamlight price list is provided as a courtesy to our domestic U.S. distributors. It is subject to change without notice. Should you have any questions at the time your order is placed, please contact your Streamlight representative. The price applicable to any order is the most recent published price valid at the time an order is placed. Possession of this price list does not authorize the purchase and re-sale of Streamlight products.

AUTHORIZED DISTRIBUTORS: This price list is designed for authorized domestic Streamlight Inc. distributors. Streamlight will appoint authorized distributors on a selective, non-exclusive basis. Distributors are required to maintain a minimum of \$5,000.00 in purchases per year to remain an active authorized Streamlight distributor. Authorization is nontransferable and is subject to cancellation. The appointment as an authorized distributor is subject to Streamlight's distributor application process and credit policy requirements. The initial stocking order from the distributor should include a varied mix of the core products for the market in which the distributor will be servicing. Streamlight will not accept an opening order from a distributor that is solely related to the award of a bid, tender, RFP, or RFQ. **This authorization is for sales in the United States only. For international sales, separate authorization must be requested. If a distributor is authorized for international sales, said distributor is subject to Streamlight's International Terms and Conditions and must provide Point of Sale data monthly.**

CREDIT LIMIT: Streamlight will accept orders up to a distributor's established credit limit. If a distributor places an order that exceeds their credit limit or for custom product, it is subject to approval by the Accounting Department.

WEAPON MOUNTED LIGHTING PRODUCTS: Weapon Mounted Lighting Products, rail mount and remote systems are available to Law Enforcement, Military, and Sporting Goods distributors and dealers only unless otherwise authorized in writing by Streamlight.

EXPORT CONTROLS: The export of Streamlight products is subject to the jurisdiction of the U.S. Department of Commerce and is subject to the Export Administrative Regulations ("EAR"). Other export controls may apply, including but not limited to U.S. Department of State export license requirements, the Foreign Corrupt Practices Act (FCPA), economic sanctions laws administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC")(31 C.F.R. Part 500 et seq.), and the UK Anti-Bribery Act. Compliance with any and all export controls are the distributor's responsibility. The sale, transfer or shipment of any controlled product which is prohibited from export or subject to export restrictions, including export licenses and accompanying documentation and authorization, is expressly prohibited by U.S. Law. Certain documentation, including import certificates or their equivalent, ultimate consignee country, name and address, confirmation of end use of the product, may be required in order to apply for an export license and fill an order. Furthermore, diversion, resale, re-export or transfer of the controlled products contrary to the documentation or information provided is prohibited.
