

A rugged, compact lantern for when you need a lot of light without it taking up a lot of space. The Siege AA uses affordable, easy-to-find AA alkaline batteries to provide 360° of soft, even light that illuminates a large area.

Now available in red to support the National Fallen Firefighters Foundation®

Removable, polycarbonate, glare-reducing cover provides soft, even 360° light distribution
Comfortable to use in close quarters without impairing vision

Recessed power button prevents accidental actuation
Battery level indicator flashes red when batteries reach the end of their useable life

Only
5.44 inches
(13.82 cm)
tall!

Ergonomic handle designed to lock in upright or stowed position
Incorporated hook allows for hanging on horizontal rope, cables and pipes

Hangs with spring-loaded, incorporated D-ring, which stows against the body of the lantern when not in use

Congress created the National Fallen Firefighters Foundation to lead a nationwide effort to honor America's fallen firefighters. Since 1992, the non-profit Foundation has developed and expanded programs that fulfill that mandate. Their mission is to honor and remember America's fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives.

200 LUMENS!

IT FLOATS!

| |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Multiple modes: |
| - White Light (C4® LED): |
| • High for brightest light: 200 lumens; runs 7 hours |
| • Medium for bright light and longer run times: 100 lumens; runs 15.5 hours |
| • Low provides extended run times for when less light is needed: 50 lumens; runs 37 hours |
| - Red Light (Two red LEDs) |
| • Red LED High (night vision preserving mode - extends run time for emergency preparedness): 0.7 lumens; runs 192 hours (8 days) |
| • Flash Morse Code SOS mode for emergency signaling: 0.7 lumens; runs 288 hours (12 days) |
| Cover is removable to illuminate large areas |
| Incorporated D-ring on bottom of lantern for easy attachment or to hang upside down; spring-loaded to stow against the light, out of the way when not in use |

| |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
