

Hands-down the best helmet light, the Vantage is now available in red with a \$3 donation to The National Fallen Firefighters Foundation® (NFFF).

For every red Vantage sold, Streamlight will donate \$3.00 to The NFFF. The National Fallen Firefighters Foundation's mission is to honor and remember America's fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives. For more information about the NFFF, visit www.firehero.org.

470nm ultra-bright blue taillight LED

Dual direction, easy access On/Off switch

Tighten with your fingers. No tools necessary!

Clamps securely to your helmet - above or below brim - in seconds!

Reflective strip

C4® LED
115 lumens!

Lightweight, compact, low profile design easily attaches above or below full brim on fire and industrial helmets

Fits both traditional and modern style helmets and hard hats

C4 LED delivers 115 lumens; 7,000 candela; runs 6 hours
