

H.I.D. LITEBOX®
RECHARGEABLE HIGH INTENSITY SEARCH LIGHT

- DESCRIPTION:** The H.I.D. LiteBox® is a heavy-duty, rechargeable, completely portable high-intensity search light. It produces a focused beam of light measuring 1 million candlepower that illuminates objects one mile away and ample peripheral illumination to light an entire scene. Integral D-rings allow for attachment of the included heavy-duty shoulder strap. Included flood lens or optional IR pass filter attaches to elastomer lens ring.
- CASE MATERIAL:** High-impact ABS thermoplastic housing. Elastomer impact bumper, lens ring and cushioned grip/handle. Weatherproof construction.
- DIMENSIONS:** Length: 14.9 in (37.9 cm) Body Width: 5.1 in (13.0 cm) Overall Height: 8.8 in (22.4 cm)
Head Diameter: 7.7 in (19.6 cm)
- WEIGHT:** 10.1 lbs. (4.58 kg) with battery
- LENS:** Glass. Adhesive sealed to reflector.
- LIGHT SOURCE:** 35-watt high-intensity discharge xenon lamp with 2000-hour minimum lifetime.
- LIGHT OUTPUT:** 35-watt high-intensity discharge xenon lamp in a deep-dish parabolic reflector produces a long-range, high-intensity beam with optimum peripheral illumination for scene lighting. A fully articulating head can be aimed precisely at target.
Xenon H.I.D. Lamp Rating: 3350 lumens typical with 1,000,000 peak beam candlepower.
- ON/OFF:** Toggle switch allows operation from internal battery or continuous operation from external 12VDC power source.
- RUN TIME:** 1.75 hours. All models include a 10-foot 12V DC external power cord for continuous operation.
- BATTERY:** Zero-maintenance 12V, 7.0Ah sealed lead acid; rechargeable up to 500 times using existing LiteBox® system charge racks. Red and green LEDs provide charge status feedback.
10-hour charge to 90% battery capacity with continuous trickle charge to maximize battery capacity. The H.I.D. LiteBox® battery will continue to charge while operating directly from an external 12V DC power source when using the remote cord.
- MODELS:** Standard System - International safety orange or black; includes shoulder strap; comes with AC and DC chargers, 10ft 12V DC power cord, charge rack and flood lens; ideal for field maintenance, inspection of construction sites, and remote equipment.

Vehicle Mount System - International safety orange or black; comes with vehicle-mountable hard-wire rack, 10ft 12V DC power cord, flood lens and shoulder carrying strap; ideal for military operations and general scene lighting.
- FEATURES:** 1,000,000 peak beam candlepower for long range applications.
Serialized for positive identification.
Fits existing Streamlight LiteBox® chargers.
- APPROVALS:**  Meets applicable United Kingdom and European Community Directives.
 Charging rack meets requirements of NFPA 1900-11.1.11.2 (2024) mounted in any position.
 CEC Compliant
- WARRANTY:** Streamlight's Limited Lifetime Warranty
- ACCESSORIES:** 100V, 230V, or 240V AC (home) and 12V DC (automobile) charge cords.
Locking charge rack; quick release shoulder/waist strap.
IR pass filter; flood lens.
