

VULCAN® 180 RECHARGEABLE LANTERN

- DESCRIPTION:** The Vulcan® 180 is a rechargeable, multi-function lantern featuring the latest in power LED technology for extreme brightness and two ultra-bright blue safety tail-light LEDs for rear visibility. Its large tactile push-button switch is easy to use with gloves and provides programmable access to various modes of operation. The Vulcan® 180 also features a 180 degree tilting head.
- CASE MATERIAL:** Housing made from high-impact, super tough nylon offering exceptional durability. Available in international safety orange and safety yellow with rubberized cushioned-grip handle. Rotating head constructed from high grade aluminum incased in super tough nylon.
- DIMENSIONS:** Length: 7.43 in (18.87 cm) Width: 4.32 in (10.97 cm) Height: 4.36 in (11.07 cm)
- WEIGHT:** 2.47 lbs. (1120 grams) with battery
- LENS:** Unbreakable polycarbonate with scratch-resistant coating. Gasket sealed.
- LIGHT SOURCE:** Three (3) white high-power LEDs impervious to shock with a 50,000-hour lifetime. Two (2) ultra-bright blue taillight LEDs.
- LIGHT OUTPUT:** See chart. Three (3) deep-dish parabolic reflectors produce a tight beam with optimum peripheral illumination. Optimized electronics provide regulated intensity.
- ON/OFF:** Press and release for high mode, press and release again for off. Press and hold for low. Programmable taillight mode; flashing (factory default), on or off.
- RUN TIME:** See chart. All claims to 10% of initial lumen output.
- BATTERY:** Rechargeable 13.6 Ahr lithium-ion battery. Fully recharges in 11 hours.
- FEATURES:**
  IP64-rated; dust-tight and water-resistant.
 2-meter impact resistance tested.
 180-degree tilting head locks in forward-facing position.
 Battery status indicator.
 Quick install charge rack fits same footprint as LiteBox® and Vulcan® series.
 Large, multi-function, push-button switch easy to use with gloved hands.
 Serialized for positive identification.
- MODELS:** Standard System - Vulcan® 180 quick install charging rack and both AC and DC chargers.
 Vehicle Mount System - Vulcan® 180 quick install charging rack and heavy-duty direct wire cord. Includes quick release buckle strap on orange model and heavy-duty strap on yellow model.
- APPROVALS:**  Class I Division 2 Groups A, B, C, D; Class II Division 2 Groups F, G; Class III; Temp. Class T4
  Meets applicable United Kingdom and European Community Directives.
NFPA Charging rack meets requirements of NFPA 1900-11.1.11.2 (2024) mounted in any position.
 CEC Compliant.
 Federal Communications Commission Compliant.
- WARRANTY:** Streamlight's Limited Lifetime Warranty
- ACCESSORIES:** 100V, 120V, 230V or 240V AC (home) and 12V DC (automobile) charge cords
