

PRODUCT FACT SHEET

TL-RACKER® SHOTGUN FOREND LIGHT MOSSBERG® AND REMINGTON® PUMP-ACTION SHOTGUNS

MARKET

APPLICATIONS: Law Enforcement, Security, Sporting Goods, Consumer

DESCRIPTION: The lightweight, all-in-one TL-Racker® shotgun forend tactical light features the latest in high power LED technology, providing 1,000 lumens and 1.5 hours of continuous runtime. The TL-Racker® is designed to easily replace the original factory forend of a Mossberg® 500® or 590® with a 7 ¾" action slide, Mossberg® 590® Shockwave or Mossberg 500® or 590® with a 6 ¾" action slide, and Remington® 870 and TAC-14 model pump-action shotguns*, depending on model. Unscrew the action slide nut to replace the forend. O-ring and gasket sealed.

CASE MATERIAL: Body: Impact modified engineering polymer with textured grip, available in Black. Models also available in orange for "Less Lethal" applications.
Facecap: 6000 series machined aircraft aluminum with black anodized finish.
Strap: High strength polyester, black (Shockwave model only).

DIMENSIONS: Length: 8.00 in. (20.32 cm) Width: 1.95 in. (4.95 cm) Grip Height: 2.64 in. (6.71 cm)

WEIGHT: 12.1 oz. (343 grams) with batteries (batteries included with purchase).

LENS: High temperature, shock mounted, impact resistant Borofloat® glass; white gasket sealed.

LIGHT SOURCE: High power LED, white, impervious to shock with a 50,000 hour lifetime.

LIGHT OUTPUT: 1,000 lumens, 20,000 candela peak beam intensity and 283 m beam distance.
TIR optic produces a concentrated beam with optimum peripheral illumination.
Optimized electronics provide regulated intensity.

ON/OFF: Ambidextrous, dual elongated switch pad design with momentary-steady function.

RUN TIME: 1.5 hours regulated run time to the 10% output level.

BATTERY: Two (2) 3 Volt CR123 lithium battery, with a storage life of 10 years.

FEATURES: High power LED for extreme brightness.
Ambidextrous, elongated switch pad momentary/steady dual switch.
Operating temperature: -20°F to +120°F.
IPX7 rated design; waterproof operation.
Serialized for positive identification.

APPROVALS:  Meets applicable European Community Directives.

WARRANTY: Streamlight's Limited Lifetime Warranty.

OPTIONAL

ACCESSORIES: N/A

*NOTE: TL-Racker will not fit Mossberg® Flex models regardless of action slide length or Remington® 870 Super Mag models.
