

TLR-10™**RAIL MOUNTED TACTICAL LIGHT WITH RED LASER****MARKET****APPLICATIONS:** Law Enforcement, Security, Sporting Goods, Consumer**DESCRIPTION:** Lightweight & compact, the TLR-10™ full frame Weapon-Mounted Tactical Light features the latest in LED technology for high lumen operation and provides 1.5 hours of continuous runtime from a two CR123 lithium batteries. 1000 lumen output delivers a powerful beam with extensive range, good peripheral coverage and selectable strobe mode. This light/laser combo features a fast rail clamp for rock solid repeatability on a wide variety of full size weapons. The TLR-10™ model features rear switches.**CASE MATERIAL:** Body and Facecap: 6000 Series machined aircraft aluminum with black anodized finish.
Switch housing: Impact and chemical resistant engineered polymer.**DIMENSIONS:** Width: 1.18 in (2.98 cm), Height: 1.50 in (3.81 cm), Length: 3.87 in. (9.82 cm)**WEIGHT:** 4.62 oz (131 grams) with (2) batteries (included with purchase).**LENS:** High temperature, shock mounted, impact resistant Borofloat® glass.
640-660nm red laser.**LIGHT SOURCE:** LED, white, impervious to shock with a 50,000 hour lifetime.**LIGHT OUTPUT:** 1000 lumens, 10,000 candela peak beam intensity and 200 m beam distance.
Custom TIR optic produces a concentrated beam with optimum peripheral illumination.
Optimized electronics provide regulated intensity.
Laser provides long-range targeting.**ON/OFF:** TLR-10™: Rear switches left and right of the trigger guard provide ambidextrous operation.
Available with high and low actuators.
Quick press for constant on operation and press and hold for momentary operation.
3 Modes: Laser only, LED only, both Laser and LED; selectable by pressing both switches.
Double tap either switch within ¼ second activates strobe (if enabled).**RUN TIME:** LED only or LED and Laser: 1.5 hours to the 10% output level.
Laser only: 60 hours regulated output.
Strobe: 3 hours**BATTERY:** Two (2) 3 Volt CR123A lithium batteries, with a storage life of 10 years.**FEATURES:** Lightweight and slim.
High power LED for extreme brightness.
Ambidextrous operation.
One handed snap-on and tighten interface keeps hands away from muzzle when attaching or detaching.
Securely fits a broad range of weapons using key kit provided.
Extensively live-fire tested.
Operating temperature: -40°F to +120°F.
IPX4 rated design, water resistant operation.
Serialized for positive identification.**APPROVALS:**  Meets applicable European Community Directives.**WARRANTY:** Streamlight's Limited lifetime warranty.**OPTIONAL****ACCESSORIES:** Mounting adapters**EXPORT CONTROLS:** The export of this product is subject to the jurisdiction of the U.S. Department of Commerce Export Administrative Regulations ("EAR"). The exported sale, transfer or shipment of this product is expressly prohibited by U.S. Law and is subject to export restrictions, including export licenses and accompanying documentation and authorization, the absence of which may result in fines and penalties. Furthermore, diversion, resale, re-export or transfer of this product is contrary to U.S. Law and is prohibited without the prior written consent of the U.S. Department of Commerce. Compliance with any and all export controls are the sole responsibility of the distributor.
