

SIDEWINDER® RESCUE

HANDS-FREE, MULTI-LED MILITARY LIGHT WITH
TILTING HEAD

Available Colors:

The Sidewinder Rescue is a slim, lightweight personal light that can be used as a life-saving beacon in times of distress or during swift water rescue operations. The 185° articulating head features a “slide-in-place” diffuser that projects omnidirectional light so you can be seen from almost anywhere.

KEY FEATURES

- Pull-to-turn locking rotary knob prevents accidental mode changes
- Push-button switch enables/disables selected lighting source starting at low intensity and progressing to the brightest intensity in 4 steps
- Double-click button for high intensity strobe of selected light source
- Cord attachment holes provided in battery compartment cover capable of supporting 25 lbs of load
- Tethered battery compartment cap facilitates battery replacement in the dark without losing cap
