

SLEDGE®

RUGGED, MULTI-FUEL FLOOD HEADLAMP

Two white LEDs produce a soft flood pattern

Available with elastic head straps and rubber hard hat straps

Available Colors:

The Sledge is a low-profile, multi-fuel flood headlamp designed with professionals in mind. It delivers up to 600 lumens of consistent output, with a THRO® mode that provides a short burst of 1,000 lumens when extra brightness is needed. Ideal for users who value runtime, flexibility, and dependable performance in demanding environments.
