

TRIDENT® HEADLAMP

MULTI-PURPOSE HEADLAMP

Includes rubber strap for use with hard hats

Push-button switch easy to use with gloved hands

Available Colors:

When your daily tasks demand a headlamp that does it all, the multi-purpose Trident delivers. Whether you're scanning the path ahead or focusing in tight on close-up work, this headlamp strikes the perfect balance between distance and detail.

Green Model: Outfitted with powerful white LEDs, it lights up your path through dense woods or helps you zero in on tasks at a distance—like work at a tree stand. A green LED preserves night vision and keeps you stealthy in the field, so you stay ready without startling game.

KEY FEATURES

- 90° tilting head features a robust ratcheting system
- Yellow model: center white LED and three ultra-bright white 5mm LEDs
- Green model: center white LED, two ultra-bright white 5mm LEDs and a green LED
