

VULCAN® 180

MULTI-FUNCTION, RECHARGEABLE LANTERN

180° articulating head

Taillight LEDs ensure you can be seen from behind

Available Colors:

Lightweight and portable, the Vulcan 180 is designed to burn brighter and run longer, making it an essential firefighting and utility tool. It is a rechargeable, waterproof lantern. Three LEDs provide extreme brightness along with two blue taillight LEDs for visibility in thick smoke.

KEY FEATURES

- 180° articulating head aims the beam where you need it
- Flat base area allows light to stand on its own for scene lighting
- Large, multi-function, push-button switch easy to use with gloved hands
