

WEDGE® SL

ULTRA THIN RECHARGEABLE INSPECTION FLASHLIGHT

Convenient pocket carry

Thin unibody construction

USB-C rechargeable with charge indication LEDs

Ultra thin body design: 0.28 in (0.70 cm)

Available Colors:

Ultra-thin. Ultra-modern. Slimmed to perfection. Designed for those who demand both function and finesse, the Wedge SL is a masterclass in minimalist engineering. Its thin unibody design delivers impressive strength without the burden of extra weight, making it an ideal companion for everyday carry. With an astonishingly thin profile, it packs a bright punch and it slips effortlessly into your pocket, bag or toolkit. Compact, capable and crafted to go wherever you do, it's proof that powerful things come in small packages.
