

STREAMLIGHT.

MEGASTREAM® HP USB

Lithium-Ion Rechargeable Light

The MegaStream HP USB rechargeable flashlight is a compact powerhouse that produces a 310,000 candela downrange that reaches 1,114 meters. Designed for convenience, it slips effortlessly into your bag or clips onto your gear, ready for action at a moment's notice. Power up via the charge port in the body or swap out the removable battery to charge while using a fresh one, because downtime is not an option!
