

STRION LED HL® FLASHLIGHT

Rechargeable Compact Flashlight, 615 Lumens

Get extraordinary brightness in a wide beam pattern with the Strion LED HL. This rechargeable, high lumen professional flashlight is ideal for searching a large area, with 615 lumens and 219 meters of beam distance.

- Three modes and strobe:
 - High for a super-bright beam: 615 lumens; 219m beam distance; runs 1.25 hours
 - Medium for bright light and longer run time: 320 lumens; 155m beam distance; runs 2.5 hours
 - Low for light without glare and extended run time: 160 lumens; 110m beam distance; runs 4.5 hours
 - Strobe for disorienting or signaling your location; runs 3 hours
- IPX4 water-resistant; 2m impact resistance tested
- Anti-roll head prevents the light from rolling away when you set it down
- Lithium ion battery fully recharges in 3.5 hrs.
- Clamp style charger holder that prevents over-charge
- LED indicates charge status
- PiggyBack charger doubles your run time by charging a spare battery (sold separately) so you can keep on working; reduces down time
 - Features a dual power input – USB port or “traditional” AC/DC charging
 - Integrated micro-USB interface specifically designed to guide the plug into place for a secure connection
 - USB port provides a convenient charging option using modern devices (power input only; does not charge USB devices)
- Durable aircraft aluminum construction ideal for law enforcement and professional use
- Borofloat high temperature glass lens
- Grooved barrel adapts to long gun mount
- 5.9" (14.99 cm); 5.2 oz. (148 grams)
- Serialized for positive identification
- Limited lifetime warranty
