

STRION® LED FLASHLIGHT

Compact, Rechargeable Duty Light with Extended Run-time

The Strion LED is a compact, professional light designed for the broadest range of lighting needs at the best value. It provides a bright, far-reaching beam and ample peripheral light, as well as long run times.

- Three modes and strobe:
 - **High** for a bright super-bright beam: 375 lumens; 219m beam distance; runs 2.5 hours
 - **Medium** for bright light and longer run time: 175 lumens; 161m beam distance; runs 4.75 hours
 - **Low** for light without glare and extended run time: 80 lumens; 113m beam distance; runs 9.5 hours
 - **Strobe** for disorienting or signaling your location: runs 5.5 hours
- IPX4 water-resistant; 2 meter impact resistance tested
- Durable machined aircraft aluminum
- Anti-roll head prevents the light from rolling away when you set it down
- Lithium ion battery fully recharges in 3.5 hrs
- Clamp style charger holder with digital control circuit that prevents over-charge; LED indicates charge status
- PiggyBack charger doubles your run time by charging a spare battery (sold separately) so you can keep on working; reduces down time
 - Features a dual power input – USB port or “traditional” AC/DC charging
 - Integrated micro-USB interface specifically designed to guide the plug into place for a secure connection
 - USB port provides a convenient charging option using modern devices (power input only; does not charge USB devices)
- Grooved barrel adapts to long gun mount
- 5.9" (14.99 cm); 5.2 oz. (148 grams)
- Serialized for positive identification
- Limited lifetime warranty
